

Greater Fredericksburg Habitat for Humanity is a non-profit Christian based house building ministry selling workforce housing to eligible families that cannot afford conventional financing. Habitat sell homes at no-interest and selected families must complete 500 hours of sweat equity prior to moving into their homes. Habitat operates in the counties of Stafford, Spotsylvania, King George and the City of Fredericksburg. Habitat has completed eleven homes todate with several more under construction.

Founded in 2005 the Fredericksburg Falcons is a semi-pro football team made up of players from the Fredericksburg area. While we have several goals as a team, one of our goals is to bring a higher level of exciting, wholesome, hard hitting football to the area. The other is to support the community that supports us by partnering with local charity organizations and providing scholarships to those who choose to further their education. We're excited about the upcoming 2008 season and hope to see you at one of our home games
